

SPROCKETS -SSP SERIES- / DOUBLE SPROCKETS -40SD・50SD SERIES-

標準 sprocket / 2列 sprocket

-SSPシリーズ- -40SD・50SDシリーズ-

CADデータフォルダ名: 21\_Chains\_and\_Sprockets

CADデータフォルダ名: 21\_Chains\_and\_Sprockets

特長: 自由に追加加工可能な軸穴粗加工品(軸穴仕様 S)もお選びいただけます。

Technical drawing of sprockets showing dimensions (D, Do, H, GD, L, l, X, Z, b2, P, l, Q, D, H, 2-M) and material options (Type SSP, 材質 SUS304相当). Includes a RoHS 10 logo and a note about keyway tolerances.

適合チェーン選定方法 P.1652

チェーン伝動機構の技術情報 P.2445

Main sprocket selection table with columns for Type, Pitch, Number of Teeth, Sprocket Type, Pitch Diameter (D), Addendum (Dp), Outer Diameter (Do), Height (H), Groove Depth (GD), Length (L), Key Length (l), Key Width (X), Key Height (Z), Weight (g), and Base Price. It lists various models like SSP 25, 35, 40 and their specifications.

Detailed sprocket selection table for 50 and 60 pitch sprockets, including columns for Type, Pitch, Number of Teeth, Sprocket Type, Pitch Diameter (D), Addendum (Dp), Outer Diameter (Do), Height (H), Groove Depth (GD), Length (L), Key Length (l), Key Width (X), Key Height (Z), Weight (g), and Base Price. It lists models like SSP 50 and SSP 60.

Technical drawing of a sprocket with dimensions and a table for keyway specifications (軸穴加工寸法表) for different sprocket sizes and key types.

Order and price information section including Order Reference, Price Table (数量スライド価格), Delivery Information, and a note about asterisked models.

特長: 2本のチェーンに動力を伝達するsprocket。多軸駆動装置にご利用いただけます。

2列 sprocket section including a technical drawing, material options (Type SP40SD, SP50SD), a keyway specification table, and a note about keyway tolerances.

適合チェーン選定方法 P.1652

2列 sprocket selection table with columns for Type, Pitch, Number of Teeth, Sprocket Type, Pitch Diameter (D), Addendum (Dp), Outer Diameter (Do), Height (H), Length (L), Key Width (X), Key Height (Z), Weight (kg), and Base Price. It lists models like SP 40 and SP 50.
